

# **MONASTERY OF THE ARCHANGEL MICHAEL CANONES, NM**

*2018 Monastery Report submitted by Abbot Silouan*

---

We repent, we serve the Divine Liturgy, and we try to find calm and inner stillness.

We support ourselves by making candles.

We publish the newsletter DOXA four times a year.

Pilgrims come for on retreat and stay in our guesthouse.

There are six monastics in our community, six, because we are short of perfection.

In September 2017 Abbot Silouan and one of the monks went on pilgrimage to Romania and to Mount Athos.
